Your E-mail ID (also known as login id) can have a maximum of 8 letters. Choose your id such that it is fairly guessable. Your initials or first/last names are a good idea. To ensure that your identity on the e-mail system is distinct. You may be allocated an id other than what you requested for. Check with the system administrator on 2293 2387 / 2331 2312.

The e-mail address that you should quote to your correspondents is emailed@dept.iisc.ernet.in, where e-mail id and dept. should be appropriately substituted. Look up the list of departments overleaf.
