

Ironwood Sockets

You can find part drawings, get product information, order parts, or request custom engineering support for a whole family of products to fit your needs, such as:

- Low Cost Stamped Spring Probe for Burn-in and Test applications

<http://www.ironwoodelectronics.com/products/sockets/sbt.cfm> [1]

* GIGA-SNAP BGA SMT ADAPTERS

http://www.ironwoodelectronics.com/products/adapters/giga_snap.cfm [2]

* GHZ HIGH SPEED BGA AND QFN/MLF SOCKETS

http://www.ironwoodelectronics.com/products/sockets/ghz_bga_qfn_sockets.cfm
[3]

- SOCKETS (BGA/QFN GHZ SOCKETS, SPRING PIN SOCKETS, GIGA-SNAP, ETC.)

http://www.ironwoodelectronics.com/catalog/Content/Drawings/socket_technologies.PDF
[4]

* ADAPTERS & PACKAGE CONVERTERS

http://www.ironwoodelectronics.com/products/adapters/package_converters_fix_adapters.cfm
[5]

- Adapters (Package Converters for PCB upgrade or obsolescence)

http://www.ironwoodelectronics.com/catalog/Content/Drawings/Ironwood_Pkg_Converters.pdf
[6]

In addition, a _New Socket Product Line_ using SILVER BALL MATRIX ELASTOMER FOR PRODUCTION TEST APPLICATIONS

http://www.ironwoodelectronics.com/products/sockets/silver_ball_matrix_sockets.cfm
[7] WAS INTRODUCED RECENTLY.
