Dear authors

We are very happy to inform you that your paper

Multiple Support Recovery Using Very Few Measurements Per Sample

has been selected as a finalist in the IEEE Jack Keil Wolf ISIT Student Paper Award.

The Jack Wolf Student Paper Award requires that the student is the principal author and presenter. The award is judged both from the paper and the presentation. We are pleased to be able to offer you an extension of time to complete your presentation.

Please upload your presentation by end of day, Friday June 4.

Regards

Michael Gastpar
