

# International Conference on Signal Processing and Communications

**SPCOM 2016**

Indian Institute of Science, Bangalore  
June 12-15, 2016

SPCOM 2016 provides a forum for researchers from academia, research laboratories, and industries to come together to share and learn about current developments in these emerging fields. SPCOM 2016 is the eleventh in the series of the biennial events that have been organized since 1990 at the Indian Institute of Science (IISc).

## Topics of interest include, but are not limited to:

Ad-hoc, Mesh and Sensor Networks  
Coding for Data Communications and Storage  
Cognitive Radio  
Cooperative and D2D Communications  
Cyber Physical Systems  
Energy and Smart Grid  
Game Theory in Networks  
Green Communications  
Information Theory  
Machine Learning in Communications and Signal Processing  
Multihop and Heterogeneous Networks  
Network Coding  
Optical Communications and Networks  
Physical Layer Security  
Source Coding and Data Compression  
THz, mmWave and RF Systems for Communications  
Vehicular Networks  
Wireless Communications

Array Signal Processing  
Audio/Speech/Spoken Language Processing  
Compressive Sensing and High-Dimensional Statistics  
Computational Photography  
Digital and Multirate Signal Processing  
Image/Video/Multimedia Signal Processing  
Inverse Problems in Imaging  
Neural/Biological Signal Processing  
Radar/Sonar Signal Processing  
Signal Processing Algorithms and Architectures  
Signal Processing for Big Data  
Signal Processing for Communications  
Signal Processing for Networks and Graphs  
Signal Processing for the Internet of Things  
Statistical Signal Processing  
Systems, Standards and Implementations  
Underwater Communications and Signal Processing  
VLSI for Communications and Signal Processing

Prospective authors are invited to submit full-length (up to five pages long) PDF manuscripts on EDAS (<https://edas.info/newPaper.php?c=21456>). The style file for the manuscripts can be downloaded from the conference website. All accepted papers will be published in the conference proceedings. All the registrants at the conference will receive a copy of the proceedings.

**IEEE sponsorship is being applied for, and accepted papers are expected to appear in IEEE Xplore.**
